

Defining a new classic

Monaco

A history of over 80 years of stove building tradition and technology are behind the Monaco - the new multifuel stove of choice for homes of all sizes

 **FRANCO BELGE**

Style and elegance combined with our renowned quality and multifuel stove technology – the Monaco is the new classic in cast iron stove room heating.

With a heat output of 6 Kw the Monaco is ideal for heating medium to large sized rooms to keep you cosy throughout the winter. Featuring a large ceramic glass door and an exceptionally efficient airwash providing an unrivalled view of the flames.

The Monaco is available in matt black stove paint as well as a range of luxurious enamel shades offering a great deal of choice and versatility. The appliance comes with an attractive hard wearing wooden handle as standard, a chrome handle is available as an optional extra.

- All cast iron construction for maximum heat transfer
- Vermiculite lined for powerful combustion
- Large ceramic door for excellent views of the fire
- Efficient airwash system for cleaner glass
- Ability to burn either wood or solid fuel
- Top or rear flue outlet
- Retains heat long after the fire has expired
- Ideal for heating medium to large rooms

Colour Options

A range of matching enamelled flue pipe is available from your local Franco Belge dealer to enhance the appearance of your stove installation.
